MIMAROPA

OCD MIMAROPA

Continuously monitor the incident.

DSWD MIMAROPA

- The Field Office advised the QRT to ensure the readiness, availability, and timely mobilization of personnel for possible augmentation to local government units (LGUs) in the event that the Northeast Monsoon significantly affects the region or triggers the activation of emergency response operations.
-Maintained close coordination with the QRT and SWADT Offices in the provinces of the MIMAROPA Region to closely monitor weather conditions and ensure the timely submission of DROMIC reports with validated data from the affected LGUs.
-Provided references and advised the QRT to utilize the forms during deployment to DSWD FO MIMAROPA Progress Report no. 1 re Effects of Flooding as of 6 January 2026 Page 5monitor evacuation centers and assess displaced families, including vulnerable groups, and to provide technical assistance on CCCM and IDPP to the LGUs as necessary.
