## DSWD DROMIC Report #5 on the Effects of Northeast Monsoon and Shear Line

as of 12 February 2026, 6PM

### I. Situation Overview

Issued on 08 February 2026 at 4:00 AM, cloudy skies with scattered rains and isolated thunderstorms may have brought possible flash floods or landslides due to moderate to at times caused by Shear Line in MIMAROPA, Bicol Region, Western Visayas, Aurora, Rizal, Laguna, Quezon, Northern Samar, and Eastern Samar.

On the same day, continuous rainfall caused flooding, localized landslides, and mudflows in the province of Catanduanes, as well as flooding in several municipalities in Eastern Samar and Northern Samar. Landslides were reported in the municipalities of Catarman and Lope de Vega, Northern Samar. In addition, drowning incidents were reported in Pasacao and Caramoran, Camarines Sur, attributed to the effects of the Shear Line.

Issued on 09 February 2026 at 4:00 AM, cloudy skies with scattered rains and isolated thunderstorms may have brought possible flash floods or landslides due to moderate to heavy rains caused by Shear Line in Western Visayas, Eastern Visayas, Catanduanes, Albay, Sorsogon, and Masbate. Meanwhile, cloudy skies with rains may have brought possible flash floods or landslides due to moderate to at times caused by the Northeast Monsoon in Cagayan Valley, the rest of Bicol Region, Nueva Ecija, Bulacan, Aurora, Rizal, Laguna, Quezon, Oriental Mindoro, Marinduque, and Romblon.

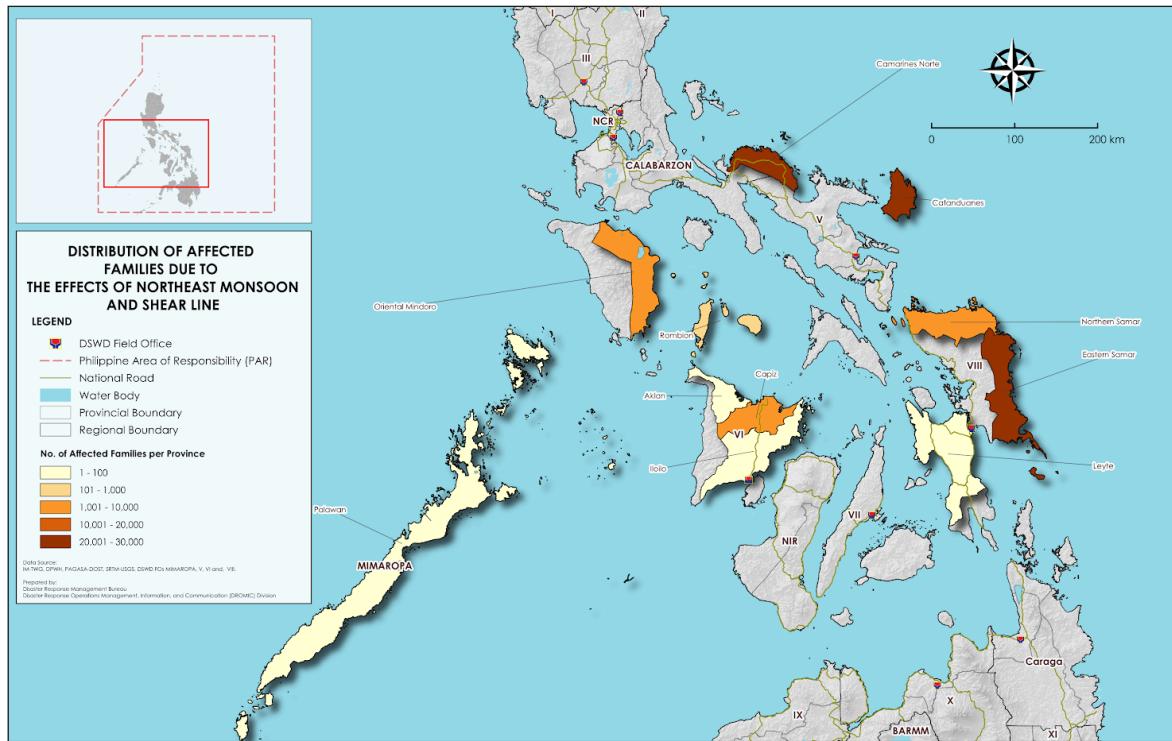

On the same day, heavy rains brought by the Northeast Monsoon caused flooding in low-lying areas of the municipalities of Naujan, Socorro, and Victoria in Oriental Mindoro. Due to continuous rains and rough sea conditions, sea travel was suspended as a precautionary measure in Romblon, Northern Samar, and Eastern Samar, with Locally Stranded Individuals (LSIs) reported in Romblon. In addition, strong winds and high waves were experienced in Catanduanes, disrupting fishing activities and further straining the livelihoods of already vulnerable local fisherfolk due to the combined effects of Shear Line and Northeast Monsoon.

In response, the Department of Social Welfare and Development (DSWD), through its Field Offices (FOs) MIMAROPA, V, and VI, in coordination with the affected Local Government Units (LGUs), immediately provided relief assistance to address the needs of the affected families and individuals.

### II. Status of Affected Areas and Population

A total of **96,794 families** or **349,200 persons** are affected in **581 barangays** in **Regions MIMAROPA, V, VI, and VIII** (see Annex A).

### III. Status of Displaced Population

#### a. Inside Evacuation Center

There are **383 families** or **1,429 persons** currently taking temporary shelter in **24 evacuation centers** in **Regions MIMAROPA, V, VI, and VIII** (see Annex B).

*Further, the breakdown of data of IDPs Inside Evacuation Centers is provided in the Sectoral Distribution table (see Annex C).*

#### b. Outside Evacuation Center

There are **471 families** or **1,536 persons** temporarily staying with their relatives or friends (see Annex D).

#### c. Total Displaced Population

There are **854 families** or **2,965 persons** still displaced in **Regions MIMAROPA, V, VI, and VIII** (see Annex E).

### IV. Damaged Houses

A total of **806 houses** were damaged; of which, **36** were **totally damaged** and **770** were **partially damaged** in **Regions V, VI, and VIII** (see Annex F).

### V. Cost of Humanitarian Assistance Provided

A total of **₱16,473,708.90** worth of assistance was provided to the affected families; of which, **₱16,331,128.90** from **DSWD** and **₱142,580.00** from the **Local Government Unit (LGU)** (see Annex G).
